

SAINT MICHAEL AND ALL ANGELS EPISCOPAL CHURCH

We're glad you are here!

Dear Saint Michael Friend,

This is just a quick note to say welcome and introduce myself as your Community Area Shepherd. The Good Shepherd Ministry (GSM) is designed to promote a sense of community and belonging within the context of our large parish.

Developing relationships both inside and outside our parish walls is important. Communicating and staying connected is also important. As your community shepherd I am here to help you get connected and stay connected with the many events, ministries and serving opportunities at Saint Michael. Please let me know if your contact information needs to be updated.

Most importantly, let me know of any life events that I can help celebrate, pray for, or support. Please also let me know if you are aware of another parishioner that needs a friendly call. My goal is to act as a helpful liaison between you and Saint Michael making sure you are cared for and connected to this growing parish.

The Good Shepherd Ministry is here to support, encourage and help you. I look forward to hearing from you!

Peace
