

SAINT MICHAEL AND ALL ANGELS CONSTRUCTION HIGHLIGHTS

PROJECT TEAM

THE BECK GROUP – PROJECT LEADER
Graham Comstock
PRITCHARD ASSOCIATES - Representative
Brett Ratliff
SAINT MICHAEL AND ALL ANGELS
Colleen O'Hara

First Two Weeks of December:

Progress on Foundations Continues

- Piers are complete
- Grade beam excavation begins
- Half of grade beams are complete
- Crawl space excavation begins

Last Two Weeks of December:

Foundation Walls Begin

- Elevator pits are poured
- Foundation Wall Pours begin
- Grade beams pours are completed
- Tower Crane is in operation daily

Looking Forward...

As we move into January, we will continue making progress on the foundations including foundation walls, slab-on-grade, etc. In the coming months, we will begin the elevated concrete structure.
