SAINT MICHAEL AND ALL ANGELS
Colleen O’Hara

First Two Weeks of April:

Progress on Structure Continues

- Level two is poured
- Level two columns are poured
- Backfill of basement wall continues

Last Two Weeks of April:

- Level three is poured
- Level three columns are poured
- Structural steel begin on site

Looking Forward...

As we move into May, the structural steel trade partner will begin on site and erect the structural steel along the ambulatory, roof, and south and west sides of the building.
