### **First Two Weeks of October:**

Progress on Envelope Continues

- Brick masonry is completed
- Exterior sheathing is completed
- Waterproofing is completed

### **Last Two Weeks of October:**

- Curtainwall frames begin
- Glazing installed on L3
- Stone columns begin

### **Looking Forward...**

As we move into November many of the envelope activities will continue and finish (brick masonry, curtainwall, stone columns, etc). The interiors will begin to take shape as we close walls in the basement and L1. The site progress will begin in December.
