### **First Two Weeks of August:**

Progress on Envelope Continues

- Roof decking is complete
- Brick Masonry begins on South
- Exterior Sheathing Continues

### **Last Two Weeks of August:**

- Level 2 framing is complete
- Level 2 rough in complete
- Level 3 rough in begins

### **Looking Forward...**

As we move into September, the tower crane will be dismantled and the exterior sheathing, waterproofing, and masonry will continue on the south and west elevations. The roof will be temporarily dried in and the interiors will progress at month-end.
