PRITCHARD ASSOCIATES - Representative
Brett Ratliff
SAINT MICHAEL & ALL ANGELS
Colleen O'Hara

First Two Weeks of January:

Progress on Foundations Continues

- Progress on Foundations Continues
- Piers are complete
- Grade beam pours are complete
- Foundation wall pours begin

Last Two Weeks of January:

- Foundation wall pours continue
- Under slab plumbing begins
- Foundation wall pours complete
- Backfill along foundation walls begins

Looking Forward...

As we move into February, we will continue making progress on the foundations including foundation walls, slab-on-grade, etc. In the coming months, we will begin the elevated concrete structure progress through top-out.
